THE KUCHING MUNICIPAL COUNCIL (CONTROL AND MANAGEMENT OF PUBLIC SWIMMING POOLS) BY-LAWS, 1966

2. In these By-laws—
   "Baths" include any public swimming pool, enclosure or shower bath or any part thereof, and any premises forming part of or appurtenant to public swimming baths under the management and control of the Council.
   "Council" means the Kuching Municipal Council established Cap. 116 under the Kuching Municipal Ordinance.

3. The Baths shall be under the management and control of an officer appointed by the Council, referred to in these By-laws as the Supervisor.
4. Persons shall only be admitted to the Baths on production of a Council ticket or admission ticket issued by the Council on payment of the prescribed entrance fee.

A bell will be rung a quarter of an hour before the end of each period and then all bathers of that session shall leave the pool, and shall leave the Baths at the end of that period. No persons shall be admitted to the Baths within half an hour before the end of a period.

7. All bathers must wear suitable swimming costume or swimming trunks which must be made of material that will not discolor the water. Must be worn.

8. No person shall spit, except into the receptacles provided round the pool.

9. If the Supervisor is of the opinion that the pool is crowded, he may—

Any loss or damage suffered by the Council in this respect shall constitute a claim on the persons or persons concerned.

11. No person shall create any nuisance by any noisy, disorderly or improper conduct, disturbing or causing annoyance to any person in proper use of the Baths or any part thereof.

12. No person over six years of age using the Baths shall enter or use any compartment appointed for the use of a person of the opposite sex.

13. No person using the Baths shall at any time use any soap or any substance or preparation whereby the water in the pool may be rendered turbid or unfit for the proper use of bathers, or otherwise willfully foul or pollute the pool, or throw into it any article willfully and improperly soiled or defile any bathroom, dressing room, closet, box or compartment, or any furniture or article therein.

14. No person shall use the pool while in a verminous condition or while suffering from any contagious, infectious or contagious disease. Diseased persons excluded.
