GAZETTED RIVERS

Sarawak has a total of 35 navigable rivers with a combined length of 5000 km.

Rivers in Sarawak plays major role in the economic activities of the State. They provide easy means of transportation for passengers and goods. Rivers also provides fresh water for consumption, recreation and industrial use.

In some rural areas, boat services are the only means of public transport.

TOTAL LENGTH (APPROX)	5000 KM
NAVIGABLE LENGTH	3500 KM
FORESHORES (COASTLINE)	980 KM

KEEPING OUR RIVERS CLEAN
